

NOTICE No-179A/2019-2020
NOTICE TO ALL STUDENTS

12.04.2020

Dear Students,

Owing to the outbreak of Covid 19, the college will remain closed for long time. The Govt. of WB as well as the University of Burdwan has already instructed us to introduce e-learning platform to compensate for loss of usual regular classes. You are aware of the fact that a long before, most of our departments have started taking online classes through different online platform(uploading study materials in our college website[www.bbkm.in] and also by posting study notes in Semester-wise subject wise WhatsApp group and other mode of online teaching through Zoom App , Google e-classroom, skype etc. on and from 23.3.2020. We are informed that you are also involved in interacting with teachers through WhatsApp group or phone. We hope that this e-learning system will also be beneficial to you even when regular classes will be resumed. You can use previous uploaded learning materials in your Computer or smart Mobile Phone. You are requested to make a habit to follow our website[www.bbkm.in] or **College Mobile APP trice in a day, at morning, at afternoon and at night** for downloading necessary “Study notes/classes” from different subject materials uploaded by the teachers and study at home. Stay at home and, stay save & feel free to study.

Principal
